My Passport™ for Mac®

Portable Hard Drives

Compatible with Apple® Time Machine™
Shock resistant enclosure
USB Powered

Ideal for transporting large files from place to place.

Portable Storage Designed for Mac.

Formatted for Macintosh®, this stylish portable hard drive is perfect for Mac users on the go. Use it to pack up your office files and take them home, carry thousands of songs or pictures and back up your Mac laptop using Apple Time Machine.

- **Compatible with Apple Time Machine** – Use with Apple's Time Machine, or your favorite back up software.
- **Shock-resistant enclosure** – Designed to guard your valuable data from the bumps and jars of everyday life.
- **No power cables to carry** –Powered directly from the USB port on your computer. No separate power supply is needed.*

*A special cable is available for the few computers that limit power.
